Dear Bessie,

Your beloved and mine  
has just left me, & I hasten to  
enclose the brush for the oil of  
peppermint to apply as directed,  
in that cutting of newspaper,  
sent yesterday per post.

I heartily thank you for all  
your remembrances of poor me, and  
the beautiful furs you protect him  
with; he expected to be at Harrisburg  
to night & to, morrow night with you.  
(Friday)

Keep me in remembrance  
Love to the dear household  
Yr sincere Aunt  
Send a vehical for him. Alida
