

Philad^a 23 ap. 46

Dear Sir

I am this morning advised by Mr Strong
that the B. of A. have reduced my note, which you have
endorsed, 1000 doll^r that he has it not to pay & that he
apprehends you will be called on. This is unexpected &
mortifying, & shall be forthwith repaired - I am at this
moment endeavoring to sell a bill on Boston, where I
have a few thousand Dollars - you shall have the
money or bill by next post & I hope will never
be again called on in this manner on acc^t. of
A. B. S.
