Dear Sir,

I am desirous to let you have  
the note you left with me of 1000 \$ in  
favor of Wm. A. L. & Co. I will thank you for the  
return of the receipt I gave you for it.  
The object has failed for which I took the  
note viz. the procuring the dish thereof in  
Bank. I have twice tried & it will  
not go down. It is equally out of  
favor in the market - under present  
circumstances. I should be glad  
if you would make good the 5000 \$  
note due 25 Oct last: as I have  
borrowed at large interest to make  
pay for obligations - that I incurred  
under full belief the said note & amt  
of \$5000 would have been duly paid.  
Yrs. respy.
