

²/to say, winsome pursuers
of Louise Vivacity Lockwood.

The within enclosure
shows the unwisdom on the part
of young and gifted women
of rashness in the making of
promises. Mr. Chapin joins
with Alfred in these views.

Come again and we will
take long walks in the slums =

Dear Ambassador Niceri:

The house that was
the happiest within the Roman
walls, is now a wretched
chaos of wretchedness and
gloom. We go about, saying
to each other - it was here
that she sat - she, she, she,
this Edition was relieved
for a season by the bright, hot
