

Washington

Dear General.

May 26. 1883

Will you be so good  
as to let me know by yourself  
or your excellent amanuensis how  
you do, & whether any fruit  
came from the shoot which  
you entrusted to Mr. Leiper.

I expect to go to the East  
board on my Coast Survey trip  
for the season in about a week.

Could I not tempt you to a  
Coast Survey Camp to recruit  
your health? We shall be near  
Worcester in Conn't not  
far by rail from Bridgeport,  
by the Hartford R.R.

Truly Yours

Genl. J. G. Kane.
