Dearest Katie

Your letter brought
tears to my eyes! How
sweet you are to me - &
I never forget the old
pictures that live in my
mind - of you & James
together - first in the
happy days - & then at
the last - We are in the
middle of packing - & I
am giving myself a

rest in bed this morning.
Could you come & see us!
You at least mind any
sort of camping in
a half furnished house
It will be good to see you -
Could you possibly come
any time! We hope to
begin getting into the
Hall (Nettleham Hall
Lincoln) next week -
This house is in a state
of furniture taken to
pieces & packing cases

We have the dining
room quite cosy &
Hubert & "Downie" come
occasionally - ~~Hubert~~

Hubert has been our
true knight & suffered
much for our sakes -
as he had a fair &
unreasonable lady to
deal with! However
I hope that is over -
Good bye dear - for
the present - Do come
if you can - I am always
your loving Alf.

Johny would be glad if you
could come - She is
busy directing packers
with her head tied
up in a duster!
