Dear Kane

1st Carry through the Company without making any advance in money if possible - The deep Interest of Mr Alsop I think will induce him to make the requisite advance =

2nd If you should have well grounded fears of the Company going through please dispose of 300 Shares of the Stock of the Company if you can obtain \$30 per share deliverable from 2 to 10 days = Write me and I will forward the Stock to ~~Mr~~ Mr Young Cashier B U F in New York If it becomes requisite to sell you had better communicate with Mr Young he will direct you to a proper party to dispose of it - If Mr Young should refer to Messrs Cammann Whitcomb & Co I would prefer disposing of the Stock through a different broker as Messrs C W & Co are large holders =

Yours Truly
